

Mad About Science

Hypothesis

Students will gain an appreciation for and engagement in the study of science through hands-on activities with superb educators.

Experiment

Provide a **free**, week-long, hands-on,
Science Summer Camp

For students **currently in 3rd – 8th** grades

The classes will be held from 8 am to 12 pm

August 5 to August 9, 2019

at Columbia College

(Parents are responsible for transporting students to and from campus)

Procedure

Any current 3rd—8th grade student may apply for the camp. Selection will be based on interest in science and classroom behavior.

Space is limited! Complete the application by **May 10, 2019**

Additional forms will be sent via email that need to be completed and returned to your teacher or to Amy Emerald at TCSOS, aemerald@tcsos.us or 175 Fairview Lane Sonora 95370

Results and Conclusions

Students will have a new love and appreciation for science...
and an unforgettable experience!!
