Adopted: 5/31/2022
First Reading: 5/31/2022

Each local education agency (LEA) within the Special Education Local Area Plan (SELPA) is mandated to provide adequate facilities for disabled persons.

The LEAs are required to make every facility accessible to disabled persons so that these persons may participate in all programs.

In the development of new or modification of present facilities, LEAs shall be guided by pertinent standards as prepared by the American National Standards Institute and applicable State law including the Americans with Disabilities Act.
