Dear Third Grade Parent/Guardian:

The Tuolumne County Superintendent of Schools is hosting the annual Children's Friendship Conference, a fun and engaging learning experience for third grade students throughout Tuolumne County. It will be held at the Mother Lode Fairgrounds on September 29th and 30th, 2026 and students will attend with their classroom teacher on one of those dates as part of a school field trip.

During the conference, students will participate in a variety of engaging activities designed to help them build strong relationship skills. They will learn how to be a good friend, how to recognize and manage their emotions, and how to include and support others with empathy and kindness. The event will also address important topics such as how to stand up against bullying, how to resolve conflicts, and how to offer a sincere apology. The conference focuses on skills that are essential during this time in your child's life, as they start to navigate more complex social dynamics and become more aware of their place within a group.

We look forward to seeing your child at the Children's Friendship Conference. If you have any questions, I can be reached at 209-536-2031 or dsilva@tcsos.us.

Sincerely,
