

6 Cups to Success Mentor Program Overview for Mentees

The 6 Cups to Success mentor program is designed to help high school students in their transition to college, vocation or trade school.

- Mentors have a college experience and can share challenges and triumphs
- Mentors are a positive role model
- Mentors and Mentees meet approximately 6 times during the school year
 - Mentors assist with many college readiness processes including:
 - College exploration (searches by majors)
 - College application and essay assistance
 - Financial aid application
 - Scholarship searches
 - Career exploration
- Mentors are local community members who have participated in a mentor orientation program and professional development opportunities
- Where possible mentors and mentees will be gender matched and paired with similar interests in career fields, college majors and/or type of college.

Goals

- Increase college admission and success rates
- Provide the additional assistance needed by many students
- Align employers and community members collaboratively to address specific areas of need within the community

Next Step

- Complete the student information and parent forms and return to your school counselor by Friday, September 14
- The first meeting between mentors and mentees will be held at the school and parents/guardians will be invited to attend. Date TBD
