Hosted by the Tuolumne County Superintendent of Schools Office in collaboration with :  
Center for a Non Violent Community, Tuolumne County Behavioral Health, Columbia College,  
and YES Partnership.

The California County Superintendents Educational Services Association's Regional K-12 Student Mental Health Initiative is administered by the California Mental Health Services Authority (CaIMHSA), an organization of county governments working to improve mental health outcomes for individuals, families and communities. Prevention and Early Intervention programs implemented by CaIMHSA are funded by counties through the voter-approved Mental Health Services Act (Prop 63). Prop 63 provides the funding and framework needed to expand mental health services to previously underserved populations and all of California's diverse communities.
