

August 10, 2023

Dear 3rd Grade Parent/Guardian:

The Tuolumne County Superintendent of Schools will host the annual Children's Friendship Conference for every 3rd grade student in Tuolumne County, accompanied by their classroom teacher, as a county-wide school field trip on September 19th and 20th, 2023. The location for the event will be shared with the teacher at a later time once we finalize the details.

At the Children's Friendship Conference, students will learn through group activities, songs, and interactive games how to describe what makes a good friend and how students can be a good friend to others, including learning about how to create and foster healthy friendships.

As your third grader becomes more aware of how others view them, their friendships take on an important role in their lives. The goal of the Children's Friendship Conference is to help your child navigate these new and existing friendships, and become a more confident and empathetic friend.

We are looking forward to the Children's Friendship Conference and positive outcomes for the children of our community. Should you have any questions, contact your child's school.

Sincerely,

A handwritten signature in blue ink that reads "Rob Egger".

Rob Egger
Director II, Grant Programs
Tuolumne County Superintendent of Schools
