

Tuolumne County Special Education

California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Blaine Cowick

Principal, Tuolumne County Special Education

About Our School

SELPA facilitates high quality educational programs and services for special needs students and training for parents and educators. The SELPA collaborates with county agencies and school districts to develop and maintain healthy and enriching environments in which special needs students and families can live and succeed.

SELPA is dedicated to the belief that all students can learn and that special needs students must be guaranteed equal opportunity to become contributing members of society. SELPAs facilitate high quality educational programs and services for special needs students and training for parents and educators. The SELPA collaborates with county agencies and school districts to develop and maintain healthy and enriching environments in which special needs students and families can live and succeed.

School Description and Mission Statement (School Year 2017-18)

Tuolumne County SELPA **Inclusion and Structured Preschool** classrooms provide multiple levels of support for preschool students with special needs. The Inclusion Preschool classrooms allow full inclusion of SELPA special Education preschool students into Head Start general education preschool programs. SELPA students in these classes receive additional support from highly-qualified SELPA special education teachers and paraprofessionals, who work alongside general education teachers and paraprofessionals with effective program implementation. Students attending SELPA Structured Preschools benefit from highly-qualified teachers and paraprofessionals, a specialized curriculum, and applied behavioral analysis techniques embedded in the preschool program. Low adult-student ratios promote successful early intervention behavioral and learning strategies for preschool students.

The **Independent Living Skills (ILS)** program is a regionalized program for students with moderate to severe disabilities. Access to the ILS program is through the student's Individualized Education Plan team and a referral by their local school district. Classrooms are located at school sites within the Tuolumne County Special Education Local Planning Area (SELPA).

Instruction is based upon seven curricular domains:

- domestic
- vocational
- recreation / leisure
- community access / motor skills
- communication
- social- emotional and
- functional academics

Academics are addressed within these domains with the purpose that students learn functional skills that are practical and will maximize their independence in the future. Instruction is designed to meet individual needs of each student throughout the school day, including recess and lunch periods. Establishing a functional means of communication for each student is an important focus of the program and a strong emphasis is placed on teaching the students appropriate behaviors. ILS program staff include: Teachers, Paraeducators, Speech and Language Pathologists, an Occupational Therapist, a School Nurse, a Psychologist, a Vision Specialist, an Orientation and Mobility Specialist and an Adapted Physical Education Teacher. Staff members use evidenced-based instructional strategies to teach the functional skills that will maximize independence for the students.

NeXus, a regionalized structured behavior and emotional support program, uses a model similar to Response to Intervention (RtI) for academics. Instead of math and reading, the NeXus program's RtI focuses on behavior. Three levels of intervention range from Intensified Level I to Intensified Level 3. Students at the Intensified Level 3 are receiving the most significant behavior and emotional supports within the NeXus program.

Eight key concepts in the emotional and behavior supports used by NeXus are:

1. Multiple levels of emotional and behavioral support
2. Selecting evidence-based practices
3. Continuous progress monitoring
4. Monitoring intervention fidelity or integrity
5. Data-based decision-making
6. Problem solving processes
7. School/home collaboration
8. Mental health service coordination

Access to the program is through the student's Individualized Education Plan team at his/her home school. Classrooms are located at school sites within the Tuolumne County Special Education Local Planning Area (SELPA).

The **Adult Transition Program** serves 18-22 year old students with developmental disabilities and/or autism who have received a Certificate of Completion from high school and have significant needs for support as they transition to adulthood. The Adult Transition Program aids in the development of young adults with special needs into positive, productive, and contributing members of society. All students who attend the Adult Transition Program are referred through the Individualized Education Plan (IEP) process.

Students in the Adult Transition Program will demonstrate a mastery of a continuum of transition skills based on their unique level of ability with the goal of successfully transitioning to adult living. Skills are developed using community-based instruction in addition to classroom instruction.

Program components include:

- Vocational training
- Community integration
- Travel and/or mobility training
- Communication skills
- Recreational activities
- Self-care and daily living skills
- Functional academic skill development
- Social skill development
- Self advocacy, self determination skill development
- Technology skills
- Support for attending a community college or higher education program

Students participate in the components of the program that assist them in moving toward their desired post-school outcomes, taking into account students' preferences, needs and skills. The Adult Transition Program also prepares students for involvement in adult community programs, and if possible, employment.

Most of the students in the Adult Transition Program are clients of Valley Mountain Regional Center. As students are getting ready to exit the program, the Valley Mountain Regional Center is the link to the transition supports needed for the future. The Adult Transition Program staff teaches students to initiate and maintain a close connection to this agency.

Early Start is a statewide system of early intervention services for infants and toddlers, from birth to 36 months of age, with disabilities or at risk of having disabilities and their families. Services are provided in a family-centered, multidisciplinary, interagency, and community-based system.

Parents have rights and access to procedural safeguards to assure that early intervention services are provided in a manner appropriate to their child's needs and to the concerns of the family.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School		District	
	2015-16	2016-17	2017-18	2017-18
With Full Credential	14	11	9	13
Without Full Credential		2	1	1
Teachers Teaching Outside Subject Area of Competence (with full credential)				

Last updated: 1/5/2018

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	1
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

SELPA programs are located mostly within participating school sites. Those sites provide support for maintaining facility safety, cleanliness and adequacy of the school facility. SELPA host sites work in cooperation with TCSOS maintenance staff to complete timely repairs and maintain facilities. There are several sites that are considered 'stand-alone' sites and these are maintained by TCSOS staff.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	3%	7%	20%	25%	48%	48%
Mathematics (grades 3-8 and 11)	3%	0%	14%	12%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/5/2018

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	40	30	75.00%	--
Male	33	26	78.79%	--
Female	--	--	--	--
Black or African American				
American Indian or Alaska Native	--	--	--	--
Asian				
Filipino				
Hispanic or Latino	--	--	--	--
Native Hawaiian or Pacific Islander				
White	28	21	75.00%	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	30	26	86.67%	--
English Learners	--	--	--	--
Students with Disabilities	39	30	76.92%	--
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 1/5/2018

CAASPP Test Results in Science for All Students**Grades Five, Eight and Ten**

Subject	Percentage of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	--	46.0%	--	31.0%	56%	54%

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percentage of Students Meeting Fitness Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
5	--	--	--
7	--	--	--
9	--	--	--

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/5/2018

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

All parents, guardians or caregivers are involved in the development of each students educational plan. Parents are also invited to participate in the Community Advisory Council.

The purpose of the Community Advisory Council (CAC) for Special Education is to advocate for effective Special Education programs and services, and advise the SELPA Governing Board on priorities in the Special Education Local Plan Area (SELPA). The State Education Code mandates that each SELPA must have a CAC and that a majority of CAC members be parents. In Tuolumne County, CAC meetings are usually held on the second Thursday of each month. These meetings are open to the public; everyone is welcome to attend.

State Priority: Pupil Engagement

Last updated: 1/5/2018

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

School Safety Plan (School Year 2017-18)

Classrooms are located at various schools in Tuolumne County they are included in the school safety plans at each school site in which they are located. The emergency plan and procedures are reviewed prior to start of school. The schools practice regular emergency drills. As students are enrolled in individualized education plans (IEPs), each student benefits from individualized teaching (ISP) or an academic program tailored to their needs and grade level. Specific goals and course study are established, and contracts are strictly maintained. The instructors encourage the use of community resources to provide ways for students to meet the rigors of their individualized programs. The Tuolumne County Board of Education recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The County Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others. The Tuolumne County Superintendent of Schools Office (TCSOS) desires to provide an orderly, caring and nondiscriminatory learning environment in which all students can feel comfortable and take pride in their school and their achievements. TCSOS encourages staff to teach students the meaning of equality, human dignity, and mutual respect, and to employ cooperative learning strategies that foster positive interactions in the classroom among students from diverse backgrounds. The school/program sites shall promote nonviolent conflict resolution techniques in order to encourage attitudes and behaviors that foster harmonious relations. As part of this effort, students shall be taught the skills necessary to reduce violence, including communication skills, anger management, bias reduction and mediation skills. Staff shall receive training that implements and supports conflict resolution and positive behavior support techniques. Students shall have opportunities to voice their concerns about school policies and practices and to share responsibility for solving problems that affect their school/program site. The Tuolumne County Superintendent of Schools or designee may initiate campus beautification projects, buddy systems, vandalism prevention campaigns and other similar programs. Staff shall encourage and reward success and achievement, participation in community projects and positive student conduct.

Types of Services Funded (Fiscal Year 2016-17)

The SELPA Finance Committee is an Advisory Committee comprised of two Superintendents, three fiscal staff members from five separate districts, the SELPA Director, and a representative of the Tuolumne County Superintendent of Schools Assistant Superintendent of Business Services. Members shall be appointed at the first Governing Board meeting each year. Non-voting member districts may send representatives and participate in the Finance Committee meetings. The SELPA Finance Committee plays an important role in providing fiscal input to the Governing Board. The chair will be selected by the Finance Committee membership. The Finance Committees responsibilities shall include: Working with the SELPA/Special Education Director on the development of the SELPA budget and making recommendations relating to the budget to the SELPA Governing Board. Reviewing and recommending changes to the SELPA budget during the year to the SELPA Governing Board. Monitoring the financial status of the SELPA throughout the year and providing regular reports for the SELPA Governing Board. Working with the fiscal office of the RLA to determine the annual cost of support services required by the SELPA, if SELPA chooses to go to a direct cost system. The SELPA Executive Director reports to the SELPA Governing Board and the Responsible Local Agency Superintendent. He/she serves as a resource for districts for the coordination of special programs and services as well as local plan implementation throughout the Tuolumne County SELPA. He/she acts as staff to the SELPA Governing Board. The primary responsibilities for the SELPA Director include: Coordinating a system of procedural safeguards and implementing policies and procedures for due process as approved by the Tuolumne County SELPA Governing Board. Coordinating the development of policies and procedures for referral, identification, assessment and provision of services. Coordinating personnel development, data collection, evaluation of local plan effectiveness, internal review and special education reports and forms. Coordinating interagency agreements. Structuring and preparing the SELPA Governing Board agendas with appropriate input from council members. Providing assurances that procedures, rules and regulations in terms of state and federal mandates and reports are being followed. Developing and monitoring the SELPA budget in conjunction with the SELPA Finance Committee. Approving all expenditures in the SELPA budget. Representing districts in Fair Hearings/Complaints, if an individual case is approved by the SELPA Director or the Governing Board for SELPA legal support. The SELPA Director will mediate the interests of the student, district and SELPA. If a district prevails on a due process case that the SELPA declined to support, SELPA will pay appropriate legal costs for that case. Collecting, preparing and/or checking all CASEMIS documents from the districts and preparing the SELPA forms. Keeping the RLA Superintendent, RLA Board, and SELPA Governing Board informed and up-to-date on SELPA matters, including pending litigation. Seeking and obtaining input from various groups in the on-going evaluation of the Tuolumne County SELPA. Being highly visible throughout the educational community in the Tuolumne County SELPA. Maintaining necessary relationships and involvement with state committees in order to keep up-to-date on special education and legislation. Maintaining necessary relationships and involvement with community agencies. Preparing and monitoring SELPA level grants.

Professional Development

All teachers access professional development based upon their individualized professional development plans, and meet with their supervisor weekly to provide individualized staff development related to the needs of their individual classes. All teachers, instructional support staff, and certificated personnel are afforded professional development through the Educator Effectiveness grant allocation due to expire at the end of the end of school year.
